DIAL13B

IMPORTANT - Because of scanning inaccuracies, a print made from a scanned version of this drawing, using for example a pdf file, may not be accurate enough to be doubled in size and used as a paper dial.
Always check that the diameters are accurate and round!

DIAL DRG 40

Drawing half actual size (A4 paper)
1 - Off
Concept Model - 16SWG Brass and paper overlay with protective plastic film
Future proposal - Engraved brass
